

JOB POSTING

Youth Entrepreneurship Coordinator

Northern Chiefs Council
FedNor Youth Internship

Location: Thunder Bay, Ontario

Term Position: 1 year (possible extension)

Just finished school? Looking for an adventure?

KO is looking for an enthusiastic and outgoing graduate to join us in making a difference in remote First Nations.

This could be you!

The intern will coordinate a network of youth entrepreneurs in KO member First Nations. Facilitate peer support and capacity building events. Maintain online resources to support the network. Engage mentors living in KO member First Nations to support youth entrepreneurs. Travel to remote communities to support community activities with the KO Lands and Resources Team. Work with existing regional business support organizations to improve access and effectiveness of existing resources and services. This is a training and work experience program funded in part by FedNor.

Detailed Duties

1. Coordinate a network of youth entrepreneurs and mentors including video conference and in-person gatherings in remote First Nations. Develop resources and training materials to support entrepreneurship in KO member First Nations.
2. Assist with community research including community visits, meetings, youth gatherings, interviews and video editing.

Training Objectives

Intern to develop knowledge and skills regarding: the use of Geographic Information Systems (GIS), mapping, website maintenance, video conferencing, video filming and editing, community-based research, government procedures, budgeting and First Nation procedures.

Qualifications

1. Recent graduate of an accredited college or university with technical interests.
2. Graduate of a Northern Ontario High School
3. Excellent verbal and written communication skills.
4. Ability to travel with us to remote First Nations.
Passion for First Nation youth and the land.
5. Knowledge of Microsoft Office and email.
6. Must be 30 years of age or under.

Send us your resume!

KO offers competitive wages and excellent health benefits.
