

A community owned and operated cellular service site to increase access to telecommunications, build capacity and network sustainability.

Partners

The slide displays a collection of logos for various partners. At the top center is the title "Partners". Below it are several logos arranged in a grid-like fashion. On the left side, there is the logo for Keewaytinook Okimakanak, which features a red and white feathered headdress and the name in both English and Cree. Below it is the logo for NET (Northern Energy Trust), which includes a stylized compass rose and the letters "NET". In the center, there is the logo for Keewaytinook First Nation, featuring a red and white feathered headdress with a yellow bell in the center. Below it is the logo for DMTS (Development Management & Technical Services), which includes a stylized blue and white wave and the text "To Fort Construction Solutions". On the right side, there is the logo for Ontario Northern Ontario Heritage Fund, which includes a stylized white bird and the text "Ontario Northern Ontario Heritage Fund". Below it is the logo for Lemko, which includes a stylized red and white wave and the text "LEMKO". At the bottom, there are logos for the Canadian government, including "Affaires indiennes et du Nord Canada" (Indian and Northern Affairs Canada), "Industry Canada" (Industrie Canada), "FedNor" (with a stylized leaf), and "Canada".
